Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

In this important study, Mark Toulouse maps the ambiguous landscape between American Christianity and American public life. Built on an extensive study of religious periodical literature since the mid-1950s and on an analysis of landmark events in American history, Toulouse develops an insightful typology for understanding how Americans have related their Christian faith to public life.
